5th Sunday of Easter
Mother's Day

Every year during the Easter season the Church reads to us from the Acts of the Apostles – St. Luke's account of the first days and years of the early church. Today we hear the Spirit leading the Apostles to choose the first Deacons to serve the community.

This year we have the Second Reading each Sunday from the First Letter of St. Peter. Today we hear Him speak of Jesus and us as "living stones." What could be more absurd – a stone that lives? But such we are – filled with the Spirit of the living God. And each year for the second half of the Easter season we hear Gospels from the "Last Supper" discourse of Jesus – His last thoughts as He was about to begin His way of the Cross and death. He proclaims: "I am the way" to the Father. "I am the Truth" to the Father. "I am... the Life" of the Father.

Happy Mother's Day to all the moms in our community of faith!

Thank you to all who are contributing to the support of our parish by online giving or mailing your contributions or dropping it off at the Rectory.

MESSAGE FROM OUR DIOCESE

Mother's Day Prayer

Please bless her, Lord, and comfort her. Help her loving heart to continue to love and give of herself to others. Strengthen her when she is down and give her hope when she is discouraged.

Most of all, Lord, on this **Mother's Day**, give my **mother** the graces she most needs and desires today.

MASSES

Msgr Russell is celebrating a Mass each day privately, as the Bishop said. If there is a Mass intention listed for any of the Masses, he is offering the Mass for that intention. If there are more intentions listed, he will celebrate that Mass at another day when there is no intention. He misses seeing all of you at Mass but is praying for all of you. Pray that God delivers us from this Corona Virus.

People of the Parish

“We fly to your protection, O Holy Mother of God”.

In the present tragic situation, when the whole world is prey to suffering and anxiety, we fly to you, Mother of God and our Mother, and seek refuge under your protection.

Virgin Mary, turn your merciful eyes towards us amid this coronavirus pandemic. Comfort those who are distraught and mourn their loved ones who have died, and at times are buried in a way that grieves them deeply. Be close to those who are concerned for their loved ones who are sick and who, in order to prevent the spread of the disease, cannot be close to them. Fill with hope those who are troubled by the uncertainty of the future and the consequences for the economy and employment.

Mother of God and our Mother, pray for us to God, the Father of mercies, that this great suffering may end and that hope and peace may dawn anew. Plead with your divine Son, as you did at Cana, so that the families of the sick and the victims be comforted, and their hearts be opened to confidence and trust.

Protect those doctors, nurses, health workers and volunteers who are on the frontline of this emergency, and are risking their lives to save others. Support their heroic effort and grant them strength, generosity and continued health.

Be close to those who assist the sick night and day, and to priests who, in their pastoral concern and fidelity to the Gospel, are trying to help and support everyone.

Blessed Virgin, illumine the minds of men and women engaged in scientific research, that they may find effective solutions to overcome this virus.

Support national leaders, that with wisdom, solicitude and generosity they may come to the aid of those lacking the basic necessities of life and may devise social and economic solutions inspired by farsightedness and solidarity.

Mary Most Holy, stir our consciences, so that the enormous funds invested in developing and stockpiling arms will instead be spent on promoting effective research on how to prevent similar tragedies from occurring in the future.

Beloved Mother, help us realize that we are all members of one great family and to recognize the bond that unites us, so that, in a spirit of fraternity and solidarity, we can help to alleviate countless situations of poverty and need. Make us strong in faith, persevering in service, constant in prayer.

Mary, Consolation of the afflicted, embrace all your children in distress and pray that God will stretch out his all-powerful hand and free us from this terrible pandemic, so that life can serenely resume its normal course.

To you, who shine on our journey as a sign of salvation and hope, do we entrust ourselves, O Clement, O Loving, O Sweet Virgin Mary. Amen

--Pope Francis

Changes in Light of the Novel Coronavirus

from Bishop Malooly...

To comply with the orders and guidance of the governors of the States of Delaware and Maryland, Bishop Malooly instructs that **all parish churches be closed until further notice. No gatherings or services should be organized that bring people out of their homes.**

The closure means that churches may not be open for private prayer. No drive-in, drive-through, drive-up, or other type services are permitted.

In addition, Bishop Malooly has instructed priests not to offer the Sacrament of Reconciliation in parishes and to only perform the Sacraments in cases where the individual is in danger of dying.

We need to take every precaution and every step necessary to ensure the health of the people we serve. Government officials and experts have said that these upcoming weeks will be critical to slowing the spread of the disease in this area.

Parish offices should be closed to the public. Only minimal staff may be brought in to perform essential functions. Programs that serve those in need may continue, respecting social distancing guidelines.

Funeral Masses remain suspended, with only graveside services taking place with no more than 10 people present, including the priest performing the Rite of Committal.

All parishes are encouraged to find ways to remain in contact with their parishioners via telephone and digital means. Additional information can be found at cdow.org/coronavirus.

We will continue to monitor the situation and adjust policy as necessary.

Let us continue to pray for our diocese, our health care workers, and for all affected by the coronavirus.
